PERSONAL PRACTICE PROGRAMME 2011 (PPP's)

Providing facilities and guidance for those wishing to develop their practice

For those experienced students who have been attending classes regularly and now wish to develop their practice with use of premises and support.

The PPP's have an access card which allows use of the facilities 6.00am to 6.00pm (excluding class times - see Timetable). Premises are available for practising Iyengar yoga only.

PPP's TIMETABLE (JANUARY 2011)

TEACHER TRAINING '11

Settling In

Generally, membership to the PPP's above for one year prior to commencing teacher training is required. Where there is considerable previous yoga experience this may be reconsidered.

Experience

Normally a minimum of three years attending regular classes is required, before commencing teacher training.

Approval

Either Matthew Smart or Jackie Kesby must accept the trainee to be trained as a teacher.

Commitment

Commitment to Iyengar yoga is one of the main criteria for being considered for teacher training. Teacher Training will generally take 2-3 years.

IYANZ

Membership to the IYANZ and registration as a teacher trainee is required at the Trainees expense.

Fees

Our fees for teacher training allow for different levels of involvement. (Simply put, the more you do and commit, the cheaper it gets). Teacher training fees in the Iyengar Yoga community range between \$2,500.00 to \$4,000.00 per annum. Your teacher training fees shall reduce as your experience builds.

We break our fees into components;

- PPP fees above, plus
- Annual Teachers Fee - \$550.00 (payment options available)
- Generally use of our normal class card system is used for each class you attend:
 - Attending regular classes
 - Adjusting and assisting in classes
 - Teacher training classes

Out of Towner

Options for attending Teacher training classes on a casual basis are also available. (See Access to IYCH and discount schedules '11).
