

# Fees Structure

Commit More and receive Extended Expiry Dates!

## PAYMENT SYSTEM

Our fees system is based upon purchasing class cards of varying amounts of classes. Cards have an expiry date which dictates the value of that card.

It's also possible to revalidate an expired card with a top-up fee option.

## PLEASE CHECK EXPIRY DATES ON CLASS CARDS.

Expiry dates need to be enforced to be fair to all.

## Top Up Expired Cards

Expired cards may be revalidated by paying a top-up fee of **\$15**.

The intention of our card system is to encourage regular attendance so that people may develop their yoga practice. If we are informed at the time of purchase that the student will be going away, extended expiry term may be set. When significant personal injuries or illness occur, extended expiry dates may be considered.
