Any offers considered

We are a small Hamilton business (Yoga school) that has a prime viewing position overlooking the Hinemoa Park corner (voted best viewing corner). Our facilities are suitable for 40-60 people on the premises. We are currently technically outside the organisers grounds so whomever hires the premises may cater it for themselves with obvious cost savings. In 2009 we were paid \$20,000 for hireage of the premises but we are realistic and open to offers. In 2010 we were vacant.
