Getting Started 2021

Wherever possible we recommend Beginners Courses as the best way to get started although some new beginners start attending Basics or Remedial classes as their first experience.

Beginners Yoga Course's

Same time each week for 4 weeks followed by 4 Basics classes.

Beginners Courses start on specific dates. New students attend at the same time each week for the first four weeks - 1.5hr classes. Basic poses are introduced with emphasis on understanding correct and healthy postural alignment. After four weeks regular Basics classes are recommended.

Book early!

Spaces are limited, please book or turn up early and take your chances. Payment confirms your booking. Eftpos available after 3pm weekdays.

Basics

These classes are suitable for those with little or no experience which need to build up strength and work on flexibility. Most classes will have some standing poses and emphasise the fundamentals of the practice.

Our regular class card system is based upon "the more often you come and the more you commit, the cheaper it gets". Most students buy an 8 class card (\$130 or less).

Regular 8 class card **\$140**
